SOUTHPORT 30FE southportboats.com

The newest Southport center console is built on an all-new 30' hull. An evolution of the original Southport 292, the new design increases space on deck and adds modern touches to the layout. There's increased aft and forward cockpit space for fishing and entertaining, with all new features including insulated transom fishbox (in addition to the classic floor boxes), newly designed mezzanine seating, rear swim decks, and an even more comfortable console interior. The 30FE is ideal for both offshore fishing and family days, beach hopping and harbor cruising. The new model will debut at the Fort Lauderdale International Boat Show on October 30 and will be on display at regional boat shows throughout the winter and spring.

LOA: 39'8"
Beam: 12' 8"
Draft: 25"
Fuel: 464 gal
Max HP: 850 HP
Power: Twin Yamaha 425s
MSRP: \$794,458

WORLD CAT 400DC-X worldcat.com

World Cat's all-new flagship, the 400DC-X dual console catamaran, provides big water capability in three different base versions, with each being highly customizable to adapt to each owner's specific needs. For instance, there are 12 different transom configurations common to all three models resulting in 36 different versions, ranging from a luxurious cruising dual console with enclosed head and separate stateroom to a true offshore center console with sleigh seating and a sporty upper station. If a crew wants to dive, cruise, fish or just spend a leisurely day out on the water, there is a design that can fit any need.
